Dear Sir or Madam,

I admire MIT Biomechatronics Group's goals and achievements. I would like to join the team to develop society and the world's technological progress. Every human deserves to live a full life and my dream is to make it possible and easily available.

I am currently a senior student at the University of Minnesota. I am seeking a full-time occupation to complete my OPT, gain experience, and work for the community's greater good. I am highly motivated to grow professionally and to produce good results for your group and people. I am patient, hardworking and I will make sure MIT Biomechatronics Group benefits from working with me.

MIT Biomechatronics Group's ideas represent future and I would like to be a part of it. Thank you for considering my application.

Yours faithfully,

Yana Garipova
